hair. Faded or gra., with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and bald-

ness often, though not always, cured by its use. Nothing can restore the air where the follicles are destroyed, or the glands atrophied and decayed. usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor con mly benefit but not harm it. If wanted

HAIR DRESSING, nothing else can be found so desirable Containing neither oil nor dya, it does not sail white cambric, and yet lasts long on the hair, giving it a rich glossy

lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS. LOWELL, MASS. PRICE \$1.00.
